Continuum of Crisis Care

Call Center

988 with 'care traffic control' technology infrastructure and coordination with 911

Mobile Response

Introduction of community-based teams with peers

Crisis Center

A central destination for adults with mental health, addition crisis needs needing facility-based crisis stabilization services

Community-wide Support

Community Input

Steering Committee included:

- Community providers
- Hospitals
- Law enforcement
- Advocacy organizations
- Individuals and families with lived experiences

Community Vision

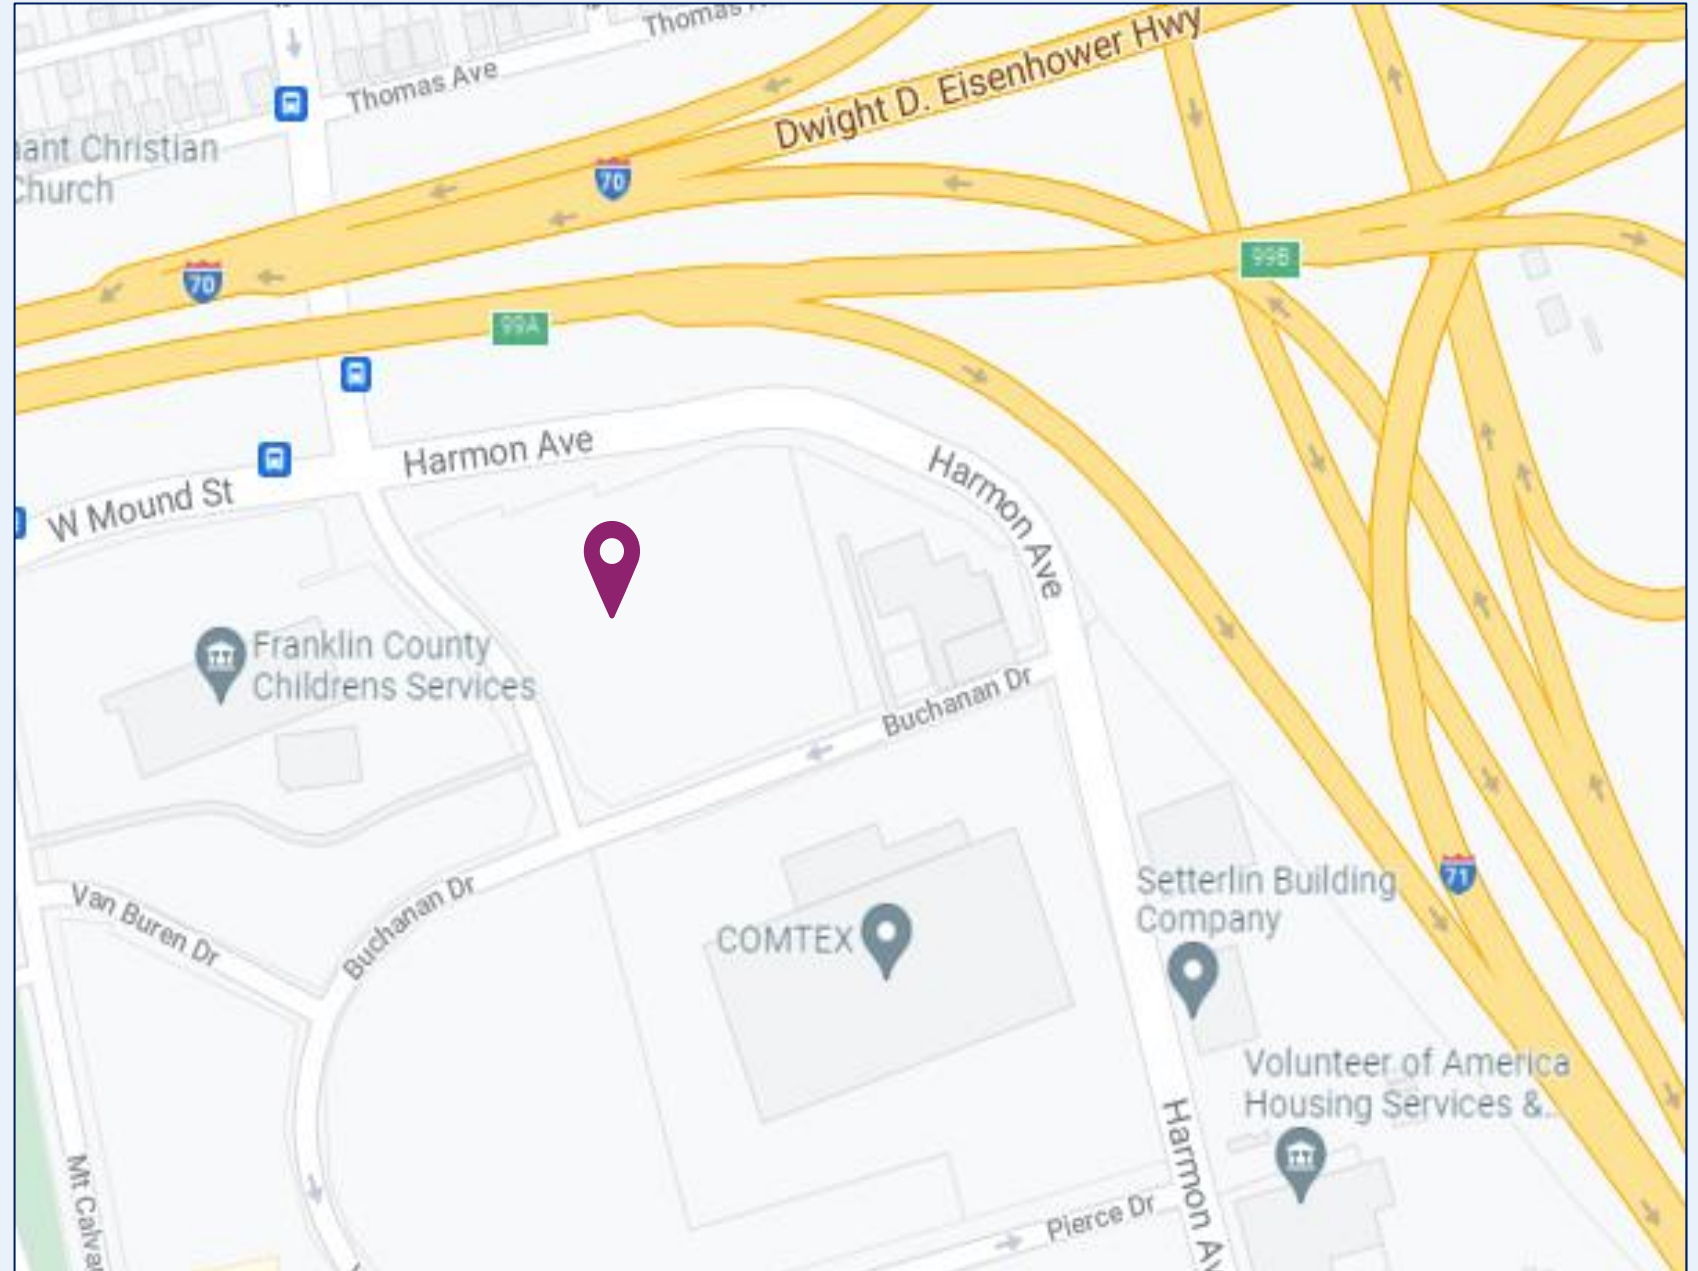

The new crisis center will:

- Be safe, secure, and have the capacity to serve anyone at any time
- Have a full array of services to support individuals with both mental health and substance use disorders as well as a range of co-existing medical issues
- Integrate peer support into all levels of care and facilitates 'warm handoffs' to appropriate community-based care before individuals are discharged

Crisis Center Location

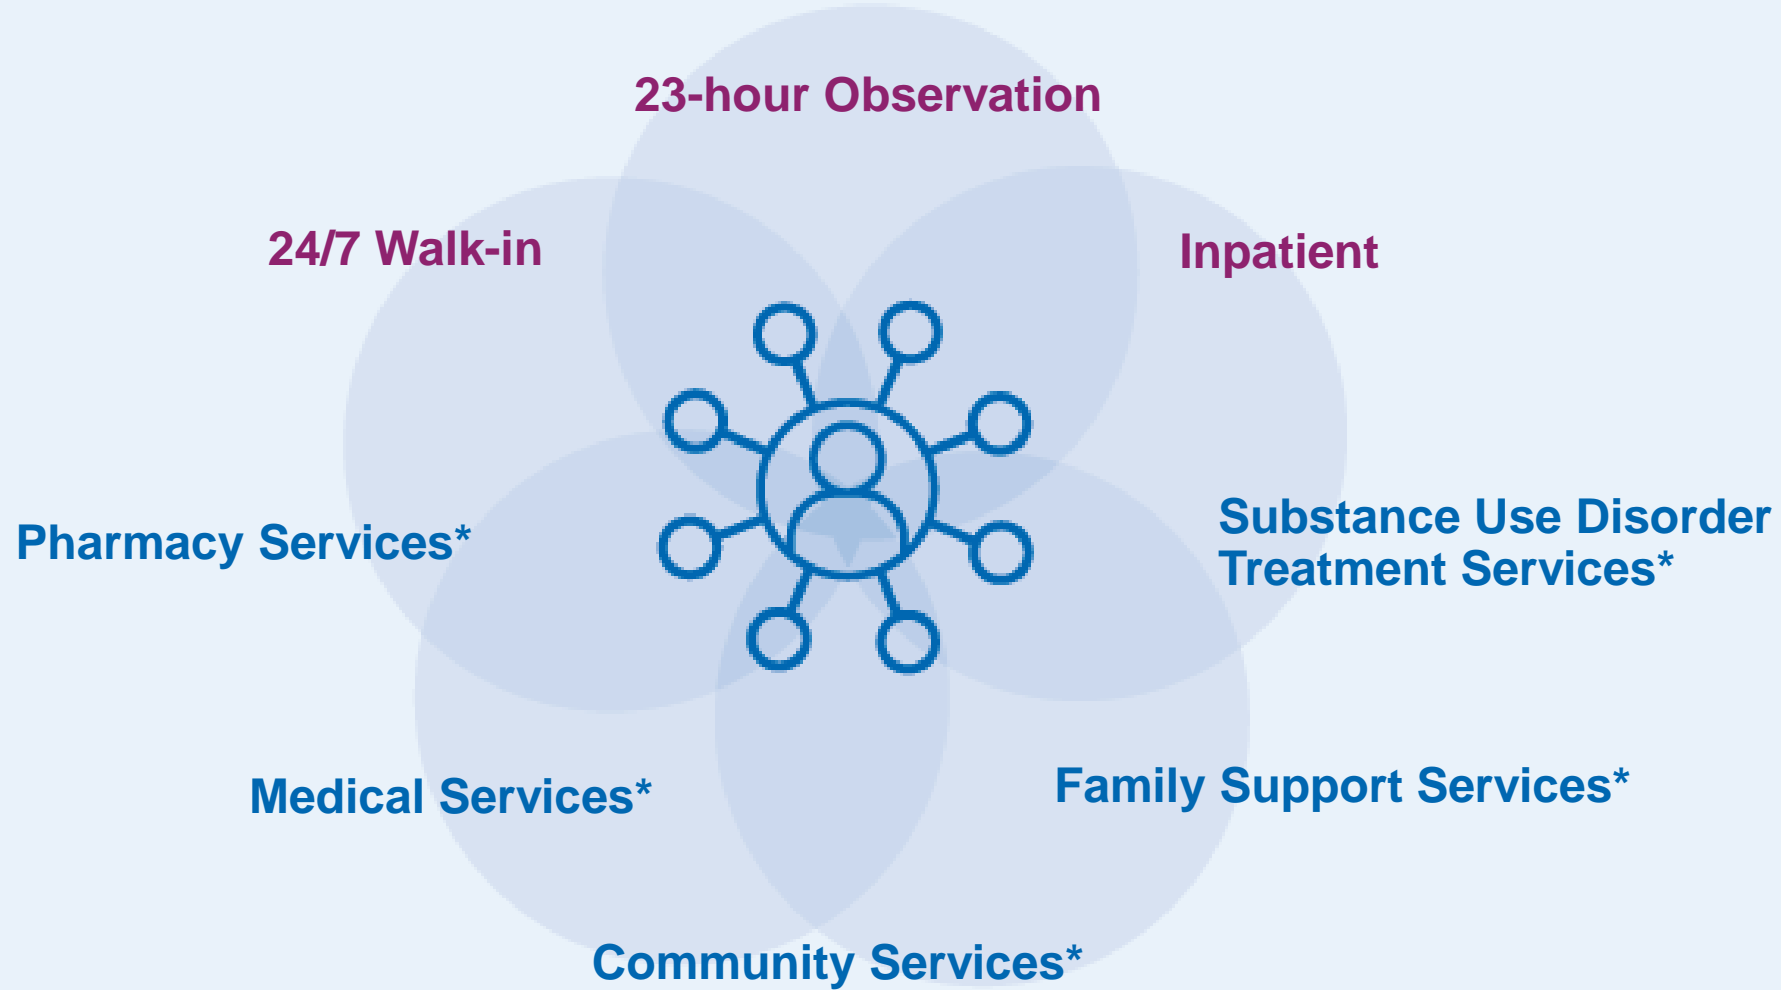

West Edge area:

- South of Harmon Avenue
- East of South Souder Avenue
- North of Buchanan Drive
