Tanya, Just fyi.....this information is related to the June 3rd agenda. I am assuming that Commissioner Porter gave you the information pertaining to the applications that are going to be presented. I am sending you this, not for you to make any changes but for your own information. There should only be two people presenting (Jeff Brown and Mr. Monsul) See below:

Attorney Brown will be presenting all three applications below:

Application BZA21-047 - 2600 Stelzer Road

Application BZA21-048 - 2337 North Cassady Avenue

Application CV21-045 - 1535 North Cassady Avenue

James Monsul will be presenting the next two applications for the same address:

Application Z21-034 - 3756 Agler Road

Application CV21-046 - 3756 Agler Road

Tanya, I am not sure why this application is listed on our agenda. It is not within the North East Area Commission boundaries. It is actually not in an area commission as all. It sits close to the border of the University Area commission.

Application CV21-047 is not on Agler Road . It is 313 W.5th avenue.
